Order Form – Certified Organic Poultry

PASTURE RAISED: CHICKEN , TURKEY & FARM FRESH EGGS

Chickens: Our delicious chickens are fed certified organic feed from day one. They never receive any growth hormones, antibiotics or other drugs. At 3-4 weeks of age, they are placed on our certified organic pasture where in addition to their grain, they eat fresh grass and bugs. Their portable pens are moved daily to always keep them on clean ground and to shelter them from sun and rain. An electric fence moved every 3-4 days defines their grazing area and protects them from predators.

Turkeys: Broad-Breasted white: These delicious birds range from 13-20+ pounds. They are pasture-raised and love to eat grass. Our customers say these turkeys are the best they've ever eaten! Reserve yours now – it's sure to be a family favorite.

Eggs: Our free-range hens lay luscious eggs with yolks the color of sunshine. \$5/dozen \$2.50 per 6 pack.
